

SpotOn Restaurant Customer-Facing Display

Engage your customers at the point-of-sale and keep them coming back for more with our interactive display

- ✓ Durable design with robust stand and 10" interactive touchscreen display
- ✓ Real-time order confirmations to reduce costly ordering mistakes
- ✓ Multiple customer payment options including swipes, dips, and taps
- ✓ Tip options and signature capture
- ✓ Full SpotOn Marketing and Loyalty integration to turn one-time customers into loyal regulars

Grow Revenue with SpotOn Digital Marketing and Loyalty

-  Enroll customers in your Marketing or Loyalty program on your customer-facing display
-  Customer email addresses are automatically imported into your customer database
-  Offer an enrollment reward as an incentive for customers to join
-  Keep the line moving with frictionless customer check-ins and redemptions
-  Use SpotOn Marketing to keep customers coming back by easily sending emails, deals, mobile notifications, and social media campaigns

Backed by \$170M+ from Top-Tier Investment Firms

After an initial \$20M commitment from its founders, SpotOn has raised three rounds of funding, led by DST Global, Franklin Templeton, Dragoneer Investment Group, EPIQ Capital Group, and (01 Advisors).
